

LIST OF CCTNB APPROVED SUPERVISORS (updated February 2024)

Applicants for licensure as a Licensed Counselling Therapist must complete the post-admittance requirements for supervision as an LCT Candidate. (*See the CCTNB rules for more information*).

Below is the list of Clinical Supervisors that are approved to offer supervision to CCTNB candidates. No one other than those listed here may provide these services. Please note that these supervisors are independent practitioners and will charge for their services. Please contact them directly to learn more about their fees before completing the Supervisor Application and Agreement Form.
